

## MOTHER'S DAY SONG

You are sweet  
You give me kisses  
You make my favourite food  
You always listen

And  
You smile  
You comfort me  
You love me for who I am  
And you even make me laugh

My love for you  
Is as big  
As the Earth and the sky  
I'm lucky  
to call you  
my M-U-M-M-Y  
Mummy, that's you!  
Did I spell it out right?

I'd never change  
You for the world  
I hope that you  
Will never get hurt

And  
You're the best  
Part of me  
And I love that we're in our pod  
Just like two peas

My love for you  
Is as big  
As the Earth and the sky  
I'm lucky  
to call you  
my M-U-M-M-Y  
Mummy, that's you!  
Did I spell it out right?

Mummy, mummy, I love you  
Mummy, I know you love me too  
Mummy, mummy, I love you

Oooooohhh

My love for you  
Is as big  
As the Earth and the sky  
I'm lucky  
to call you  
my M-U-M-M-Y  
Mummy, that's you!  
Did I spell it out right?
