

Easter Bunny Ears

Take out the craft which you had made before the class and put it on your head.

Tell your students they are going to make the same craft.

Before class prepare the shapes: cut a strip of card for the headband and two ear shapes (including pink inner ears) per student.

In class, give out the headband strips and ear shapes to your students and let them decorate the headband and ears with crayons, markers, glitter, etc.

Finally, measure the headband on each student's head and glue or staple in place and glue on the ears. Your students can now wear this for the duration of the lesson!
